Cobalt	2 mg	Menadione	2.5 mg
Manganese	39 mg	Folic Acid	7 mg
Iodine	0.25 mg	Biotin	0.02 mg
d-Pantothenic Acid	48 mg	Choline	200 mg

Characteristics

Red Cell is a palatable yucca flavoured vitamin-iron-mineral feed supplement for horses formulated to provide supplemental vitamins and minerals that may be lacking or are insufficient quantities in a horse's regular feed.

Dosage and administration

Horses in training: 60ml per day

Horses not in training: 30ml per day

Feed Red Cell by mixing into daily feed ration or orally with a dose syringe.

Precautions

Follow label directions. The addition to feed of higher levels of this premix containing selenium is not permitted. Excessive amounts of selenium may be toxic.

Warnings

This product should not be fed to copper sensitive animals, such as sheep.

Storage

Store at 15 – 25°C.

Keep away from children.

Presentation

Container à 946 ml and 3,78L
